Dear Professors,

ESMINT is celebrating its 10th anniversary this year and it is always with great pleasure and a lot of pride that the City of Nice hosts this event.

The health sector is an important area of development for our city, and the topics addressed during ESMINT are drawing more and more interest from health professionals and industry. Since its creation in 2009, the attendance has increased threefold and ESMINT has attracted a lot of specialists such as, Neurointerventionalists, Neuroradiologists, Neurosurgeons, Neurologists and paramedics from all over the world.

I would like to thank you for your trust and loyalty to our beautiful city of Nice and I congratulate you for the quality of the content of your congress.

Long live ESMINT!
